

**Robust engineering** The strong yet supple gooseneck stalk is an outstanding piece of engineering that's built to last, whilst the casting keeps your tablet secure and protected.

**Smart Power options** run your cables through the inside of your Bouncepad to keep your tablet kiosk continuously powered and looking tidy.

**Bouncepad Flex** comes in Black and White as default. You can add a splash of colour to your branded environment with a custom finish. Pick a shade from anywhere in the spectrum. Send us your RAL colour reference.

**Gymnastic movement** this tablet Kiosk gives users the freedom to twist and turn the case whichever way they please. This allows for the maximum interaction without compromising on comfort or security.

**Bouncepad Sumo** comes ready for action. The toughest **Bouncepad** in our range has been designed to stand its ground in busy restaurants, malls, children’s play areas and airports – allowing you to use tablets in challenging environments without resorting to clunky, ruggedized kit.

**Six-Point Locking** Sumo’s unique Six Point Locking System ensures ultimate theft resistance, yet frees your tablet in an instant with our easy release access.

**Motion Stalk** The Sumo’s Motion Stalk allows users to play games, switch between apps and share screens effortlessly.

**Fit & forget** Aerospace grade alloys, wide mounting points and heavy weight fixing ensure durability in the most challenging environments, maximising uptime and minimising call-outs.

**A dream to clean** Sumo’s overhanging faceplate design is easy to wipe clean and minimises gaps to prevent food and grime getting trapped inside.

**Bouncepad Luna** Take tablets from a fixed to mobile in an instant with our secure dock 'n' charge system for retail.

**All-in-one Luna** Empowers staff with assisted selling; engage customers with self-service points, makes visual merchandising more dynamic; and integrate simpler POS.

**Never miss a sale** with the **Bouncepad Luna** secure dock and charger system for tablets. On the move it's a mobile selling tool, back at base it's a sleek fixed service point, **Luna** lets you keep pace with shoppers, switching between service modes effortlessly

## Mobile Assisted Selling Service Point

### Tech Specs

**Smart Access Luna's** smart Fob uses simple RFID authentication to give staff the power to free tablets from fixed locations and turn them into mobile assisted selling tools.

## Re-inventing retail for the 21st Century Customer

www.pos-security.net

### Powered Up

Luna keeps tablets ready using wireless charging through contact points on the Dock and Case. The Dock is small yet mighty, packed full of useful features that you can use to enhance your in-store experience

## The secure dock and charge system

### Simply Secure

Luna's Dock automatically locks whenever a Case is placed inside, which means your staff can securely store tablets without worry. Customers can still find what they need with access to key tablet features.

## Transforming tablets into multitasking service companions

www.pos-security.net

RFID unlocking for quick and controlled access

Visual and audio feedback for locked/unlocked status

### Smart Access

Only staff have the power to free Luna. Simply place Luna's smart Fob in front of the Case and let the RFID take care of authentication, automatically unlocking the Dock and freeing the tablet for mobile service.

## Delivering digital content direct to your customers

### All-in-one Service Tool

#### Assisted Selling

Empower your team with the information they need to close the sale, including product information and customer insights.

#### Integrated POS

Create seamless transaction points by docking Luna at the service counter and running your favourite tablet POS app.

#### Self-Service

When things get busy, Luna can help customers search for products, collect online orders, or join loyalty programs.

#### Dynamic Digital Display

Luna puts your tablets to work as an engaging part of visual merchandising, while always keeping them within arms reach of staff and customers.
